Dear Sir:

In response to the Notice of Allowability mailed May 16, 2005, Applicant respectfully requests that the Examiner consider and enter into the record the comments set forth below without withdrawing the case from issue pursuant to 37 C.F.R. § 1.312.

2355423R.1

Docket No.: 100202851-1

Application No.: 10/606,134

## REMARKS

The Examiner is thanked for the indication that the application, including claims 1-34, is allowed.

Applicant respectfully disagrees with the Examiner's comments on pages 2 and 3, regarding the reason for allowance. Applicant notes that the reasoning given quotes the language from only claim 1. Independent claims 17, 22 and 30 have different scopes than claim 1.

Applicant believes claims 17, 22, 30 and their respective dependent claims are allowable for reasons other than the reasons stated in the Notice of Allowability. If the Examiner disagrees, Applicant respectfully invites the Examiner to issue a new Office Action, whereby Applicant can more fully respond to these issues. Otherwise, Applicant respectfully requests that the Examiner allow this Application to pass to issue.
